GRAND GENERAL CATALOGUES VOL. 15

GRAND GENERAL is a leading manufacturer and distributor of high quality truck accessories featuring an extensive selection of chrome and stainless steel products as well as DOT approved LEDs, incandescent lights and more. Founded in 1984, Grand General is committed to offering our customers high quality products at competitive prices. The company began operations in a small 3,000 square-foot warehouse with three employees. Today, we serve the needs of our customers from a modern 100,000 square-foot distribution center located in Rancho Dominguez, California and house an inventory of more than 15,000 products. Our dealer network is the lifeline to our business so we always strive to support our dealers in the selling and marketing of Grand General products. With a closely monitored inventory control system, we ensure reliable supplies and rapid deliveries at a minimum 98% fill rate to best cater to consumer demand.

Butt-In Cigarette Self Extinguisher

Drop cigarette in and it extinguishes itself in seconds. No more smoldering, smelly ashtrays! Removable handle for use on the door frame of an automotive, or remove the handle and place in any cupholder. Designed to hold up to 25 cigarette butts. Once full, remove the lids and safely dispose of extinguished butts. The patented BUTT-IN Convertible with unique removable handle that fits door frame or cupholder is the safe and proper way to extinguish cigarettes in automobiles, trucks, RV's and boats. The detachable handle is longer to fit more vehicles, the cup taller to hold more butts, with a melt resistant lid.
